

ABOUT US

The Marlow Chamber of Trade & Commerce has existed for over 60 years and is currently home to around 100 local businesses.

We pride ourselves on the quality and diversity of our members, which range from retail, through hospitality, support and professional services.

But our commitment also extends to the community as a whole. A fact that is evident in our campaigning and our support for local initiatives and events.

Marlow is unique, a 'Jewel on the Thames'. We are here to help it stay that way.

Late Night Shopping is just one of the events the Chamber organises - and which members get fully involved in supporting.

MARLOW & DISTRICT CHAMBER OF TRADE AND COMMERCE

2020

FOR THE COMMUNITY

Bringing businesses together

The Chamber is a voluntary organisation, established to help promote and improve the interests of local businesses in the Marlow area.

To that end, we look to foster a feeling of goodwill and support, not just between member businesses but also with various local societies and institutions. These manage the environment, the infrastructure and community aspects of local life for members and residents of the town.

Along with our members, we welcome representatives of the local press, Wycombe District Council, Bucks County Council, Marlow Town Council, The Marlow Society and the Marlow Forum to all our regular meetings. We also invite special guest speakers when there is a need to expand on other topics of local interest.

The Chamber's Policy and Management sub-group is also actively involved in formulating policy affecting the town centre, law & order, local transport, planning and parking.
